THIS WEEK THE 619 CANTINA LAUNCHES A GROWLER AIMED AT HELPING THE LOCAL ANIMAL SHELTER.

## **GROWLERS FOR CHARITY**

THE 619 CANTINA and The Portsmouth Humane Society have teamed up for a purpose! Especially, in times like these, we all need a reason to smile. Sometimes helping others brings that smile. The others are our furry friends at the Humane Society! The Portsmouth community has been very eager to help. Individuals want to help the animals, but because of the virus they don't have a lot of options. Due to recent pandemic volunteering opportunities are limited and a lot of folks don't have extra funds to donate. This is a great way to help the animals and give yourself a break too! ALL of the proceeds of every growler sold at THE 619 CANTINA will be donated monthly to the Portsmouth Humane Society.

**GROWLERS  
AVAILABLE
